SUMMARY

Computer Science & Artificial Intelligence graduate and ASP.NET Full-Stack Developer with hands-on experience in building responsive web applications, RESTful APIs, and database-driven solutions. Skilled in C#, ASP.NET Core, Entity Framework, React.js, JavaScript, SQL Server, HTML, CSS, and Bootstrap. Strong problem-solving and teamwork abilities, with a passion for developing scalable, efficient, and secure software solutions

EXPERIENCE

ASP.NET DIPLOMA 08/2024
CLS learning solution
Created a websites and projects Got certificated from Microsoft

Software developer internship 08/2024
Khalda Petroleum company
Analyzed problems and worked with teams to develop solutions.

Network internship 07/2025
Khalda Petroleum company
Assist in maintaining switches, routers, wireless access points; configuring and troubleshooting basic connectivity issues Network performance monitoring

Cybersecurity and AI banking (The Green Leap Summer Program) 08/2025
CIB
Basics of cybersecurity in banking: threat types (fraud, phishing, malware, ransomware), regulatory requirements, privacy laws. Introduction to AI/ML badge from SAS for responsible-innovation-and-trustworthy-ai

EDUCATION

Bachelor's Degree in Computer Science 06/2026
Modern university for technology(MTI)

SKILLS

Programming Languages
C#, JavaScript, SQL, HTML5, CSS3, Python

Front-end Skill
HTML, CSS, JavaScript, Responsive Web Design

Back-End
RESTful APIs, Authentication & Authorization, MVC Architecture

Databases
SQL server, MongoDB

Frameworks
ASP.NET Core, ASP.NET MVC, Entity Framework Core, Bootstrap, React.js

PROJECTS

AI-Powered Phishing Detection & Prevention System | Graduation Project
Developed an AI-based cybersecurity platform to detect and prevent phishing attacks across URLs, Emails, SMS, and Firewall traffic.
GitHub:https://github.com/menna9191/AI-Powered-phishing-detection-and-prevention.git
Technologies: Python, Scikit-learn, TensorFlow, PyTorch, Flask, Pandas, NumPy, Docker, Machine Learning, Deep Learning, Cybersecurity.
Grade: Very Good (B+)
